I'm taking part in the 'Walk the Walk' Fundraiser for The Compass Foodbank and Outreach Centre this September to raise funds to allow The Compass to continue the valuable work they do in the south Mississauga community. Last year The Compass distributed 626,880 lbs of food to our neighbours.

Please make cheques payable to: The Compass. You can also donate online through our website. The Compass is a registered charity (#862352754RR0001). A charitable tax receipt will be issued for amounts of $20 or more to sponsors with their name and address listed below.
